

Allergen Statement

(PPS311, Rev 1.1, 02/18, KMC)

Cane derived Alcohol (Ethyl Alcohol, Ethanol, EtOH) is a specialty pure alcohol derived from sugar cane. All phases of the production process including fermentation, distillation, packaging and shipping are done under strict guidelines. Cane derived Alcohol meets consumer demand for a naturally pure product. It is an ideal raw material in flavor/herbal extractions, cosmetics, fragrances and personal care products. Greenfield Global USA Inc.'s Cane derived Alcohol is gluten-free. All proteins are removed during the distillation process. Therefore, consumers sensitive to gluten allergens can safely use this product. Greenfield Global USA Inc.'s Cane derived Alcohol is also certified as Kosher and can therefore can be used in practically all manufacturing processes.

This is to certify that all Cane derived Alcohol manufactured by Greenfield Global USA Inc. is free from:
