

**Allergen Statement**

(PPS138, Rev 1.2, 02/18, KMC)

Organic Certified Alcohol (Ethanol, EtOH) is a specialty pure alcohol derived from an organically grown plant source such as cane or corn. All phases of the production process including fermentation, distillation, packaging and shipping are done under strict organic guidelines. Greenfield Global USA Inc. has been certified by Oregon Tilth Certified Organic (OTCO) to handle Organic Certified Alcohol. Organic Certified Alcohol meets consumer demand for a naturally pure product. It is an ideal raw material in flavor/herbal extractions, organic cosmetics, fragrances and personal care products. Greenfield Global USA Inc.'s Organic Certified Alcohol is gluten-free. All proteins are removed during the distillation process. Therefore, consumers sensitive to gluten allergens can safely use this product. Greenfield Global USA Inc.'s Organic Certified Alcohol is also certified as Kosher and can therefore be used in practically all manufacturing processes.

This is to certify that all Organic Certified Alcohol (Cane or Corn derived) manufactured by Greenfield Global USA Inc. is free from:
