

Melamine Statement
(PPS403, Rev 1.1, 02/18, KMC)

In accordance with published FDA guidelines on Melamine, Greenfield Global USA Inc. monitors their supply chain for any at-risk compounds. The manufacture of **Ethylene Glycol** does not utilize any at-risk products for melamine contamination identified by FDA or the European Union.

Ethylene Glycol is processed and refined in a closed dedicated system and is not expected to contain or to have come in contact with any products containing melamine during the manufacture, storage, or packaging. While Greenfield Global USA Inc. does not specifically test for the presence of Melamine, we have no reason to believe it is present in any of our products.

This statement is valid and in effect for all products and lots described herein until otherwise notified in writing by Greenfield Global USA Inc.
