Change Control Notification 24-003

Organic Documentation Updates

Please circulate to the appropriate department(s) and personnel within your organization

Description of Change:

We are updating our labels, certificates of analysis, and specification sheets for our Organic products. The statement saying the product meets the requirements of ACB/EU Equivalent, US/Canada Equivalent, USDA-NOP, USDA-MAFF, GMO-free, Gluten-free will be removed from the documents.

Reason for Change:

The statement has been deemed unnecessary by our organic certifier. Current information is provided by means of other available product documentation.

Impacted Products:

Timing of Change:

You will start to see this change starting March 1, 2024, and upon depletion of our current inventory.

Additional Information:

This change is only to remove the statement referencing ACB/EU and USDA-MAFF, everything else will remain unchanged. The manufacturing, packaging, and labeling process has not changed.

The catalog number you currently order under will not be changed.

An example of an updated label, specification sheet, and certificate of analysis has been included.

If you require pre-approval, please contact us by February 23, 2024. If you approve the change no further response is needed.

For any questions regarding this notification, please contact your local sales representative or you can reach our sales team by emailing usasales@greenfield.com.
